MEMORANDUM FOR: Chief, Programs and Budgeting Staff, OC  
INFO : ADP Systems Administrator, OC  
SUBJECT : Modifications to New CATRAN Program

1. The attached modification proposal to the new CATRAN program is submitted for concurrence or comment. This modification will require a complete rewrite of the new CATRAN document. We would expect that the new document could be ready, along with the required software changes, by 1 July 1975. Please examine the reporting categories to ensure that all required information is included.

2. A Computer Services Request, Form 930, should be submitted to OJCS as soon as the modification proposal has been approved in order to continue the services of [REDACTED] OJCS Programmer assigned to the CATRAN program rewrite.
